**Housing
Rights**

Expressions of interest sought for associate trainers

[Housing Rights](#) and the [Law Centre \(NI\)](#) are pleased to invite expressions of interest from associate trainers who could facilitate training for both/either charities across Northern Ireland.

Expressions of interest are sought in order to form a pool of associate trainers who could provide training on a contractual basis for either organisation as the need arises. Individuals should therefore have experience in training and knowledge of a range of housing and /or social welfare law.

To be considered please send your CV to bronagh@housingrights.org.uk or training@lawcentreni.org

Please also identify your knowledge in areas of housing and/or social welfare by completing the attached questionnaire.

For further information or an informal discussion please call Bronagh on 02890 245640 or Louise on 02890 244401

Associate trainer: knowledge questionnaire

Please mark with an 'x' to identify relevant areas of knowledge. If you have knowledge of another relevant area, please let us know by using the space provided.
