

Making Parenting Work

with Josh Levs

In partnership with Bank of Ireland UK and Citi

From the United Nations to Congress, Oxford and Google, Josh Levs' powerful talks chart new terrain, advancing everyone's understandings of men, modern parenthood, and gender equality.

The seminar will focus on:

- How businesses can engage men on issues of gender equality and diversity
- How equal caregiving options attract and retain the best employees
- How to support both female and male employees who seek work-life balance
- Proven methods to achieve all this while lifting profits
