

 **Bowel Cancer UK**
Beating bowel cancer, together.

Walk Together

Bowel Cancer UK
Walk Together

Belfast
7 September 2019

Sign up to Walk Together

Date: Saturday 7 September

Start time: 11am

Distance: Five miles

Ticket price: £10 adult and £5 child (under fives go free)

We ask that all participants commit to raising a minimum of £50 in sponsorship

Join us as we Walk Together along the stunning and peaceful Lagan Towpath and pass through the beautiful Belvoir Park Forest.

Our sponsored walk brings people together to show support for those undergoing treatment, remember loved ones and help stop people dying from bowel cancer.

The money you raise will help fund vital services and lifesaving research to help ensure a future where nobody dies of bowel cancer.

If you can't make this event we have others happening across the country. You can organise your own or you can walk five miles in your own time, spreading the mileage out throughout the month.

Our team will be on hand to support you every step of the way.

“

Last year my family and I took part in Walk Together Belfast. It was a lovely sunny day, which made the walk along the Lagan Towpath so enjoyable. In July 2017, I lost my beautiful mum to bowel cancer. We were delighted to take part and raise much needed funds for an incredible charity so very close to our hearts.

Danielle
