An event to raise vital funds for the Children's Heartbeat Trust

Orán, the late grandson of one of our founding members, was born with a single ventricle heart in June 2008. His heart condition coupled with a feeding peg meant that he had little energy and was tube fed three times a day.

This never got him down, he was proud of his "Special Heart".

He loved life and making people happy.

Sadly, after his third open heart surgery, Orán passed away on the 7th of October 2014.

He was 6 years old.

Swim 4 Orán will be a charity open water swimming event and family fun day.

Swim Distances 750m, 1.5K & 3K
TRY-A-SWIM 150M open to adults & children
Ripples Special Olympics Race 150m

Wetsuit and Skins swim available for the adult entries only. Children under 14 MUST wear wetsuits.

We aim to provide something fun for everyone in the water and on dry land with a range of attractions and activities to keep non-swimmers entertained.

In memory of this brave little boy,
