Now delivered online:

Next cohort starting Monday 28 September...

Our most popular training is now being delivered online, meeting your learning needs with all the flexibility of supported online learning. You can book now with our first cohort starting on Monday 28 September.

Our most popular training, delivered online...

Our OCN NI level 3 certificate in generalist advice qualification will equip learners to effectively provide advice to the public. Now fully online, the course delivers an integrated learning experience with costs starting from just £450.

Who is it for?

This qualification is essential for new advisers, volunteers or those returning to the advice sector.

How does it work?

With nine modules spread over ten weeks, you will join a cohort of learners for a mix of tutor led group learning and independent study, including ongoing support throughout.

What are the benefits of online learning?

Varied

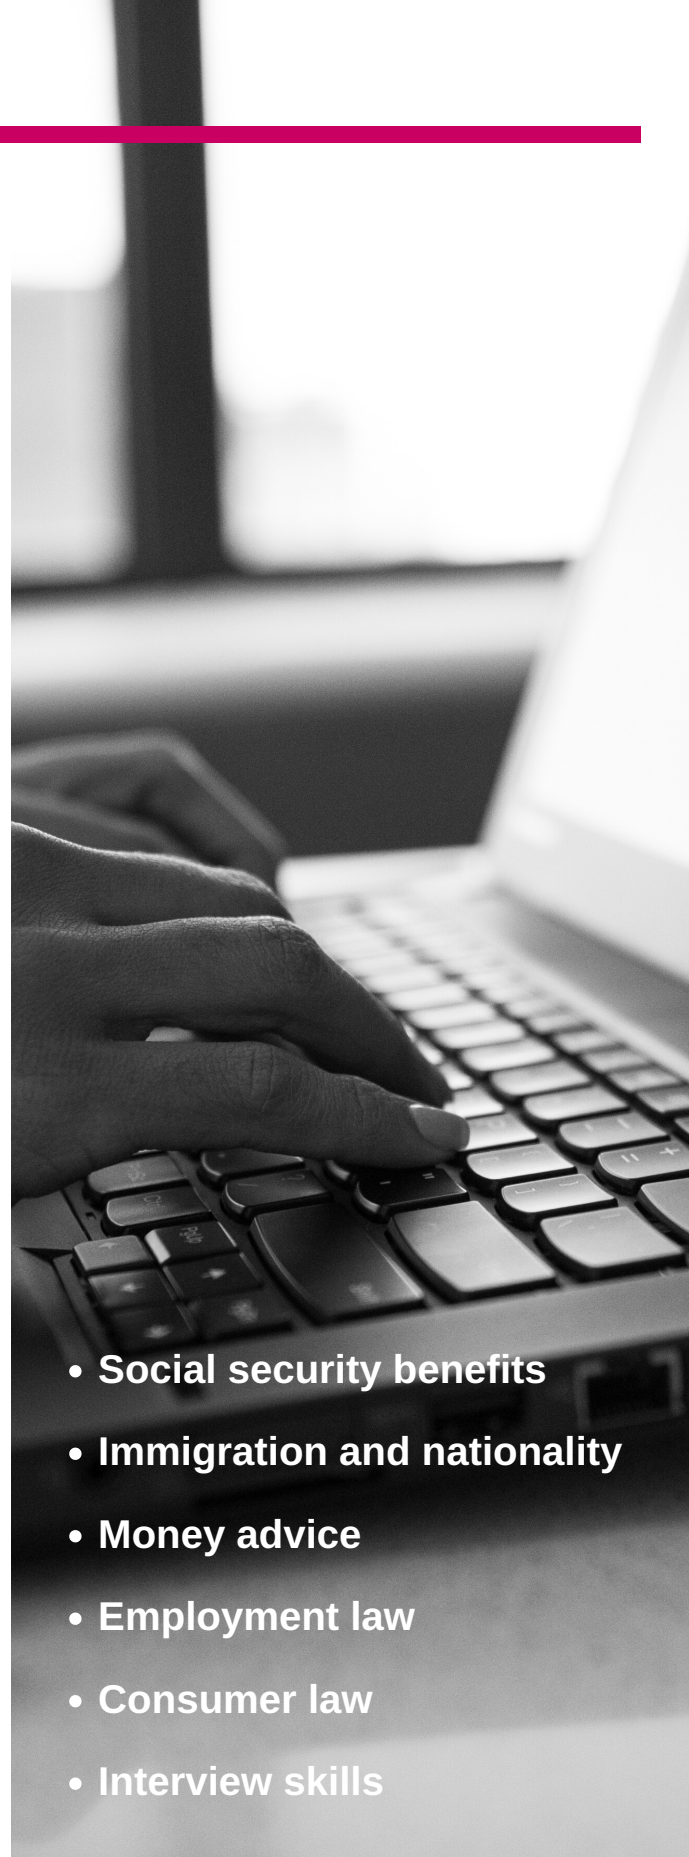

You will enjoy a blend of learning styles, including face to face learning, self directed study, quizzes, videos and interactive activities.

Flexible

You can complete your work during hours that suit your arrangements, complimenting family and working life.

Supported

You will receive ongoing support provided by your tutor, underpinned by Law Centre NI's expert legal and policy team. You will also enjoy the support and social interaction of other learners during group study.
