# ABOUT EMPOWER 2 TRANSFORM

---

Empower 2 Transform (E2T) is an exciting programme which is being delivered by some of our region's leading Youth providers including YMCA Ireland, Youth Link: NI, Youth Initiatives and Mencap in Northern Ireland.

Funded by PEACEPLUS through the Special EU Programmes Body, we endeavour to Empower young people to take Transformative steps in developing their confidence, skills and potential, form positive relationships with others of different backgrounds, and positively contribute to building a cohesive society.

The project is partnering with organisations, rooted in local communities right across Northern Ireland and the Border Counties all of whom have an extensive and rich history in the delivery of programmes which make a positive difference in the lives of young people, their families and their communities.

We currently have a team of people from right across the region who are using their skills, their experience and their passion to Empower Young People to Transform.
